

Four Corners Development Group (FCDG) has released Multiplayer Pool, a full 8 Ball multiplayer pool game for the BREW platform. Fast, fun game play, and practice as well as multiplayer modes make FCDG Pool one of the most enjoyable games to play on your phone.

Founded in 2001, FCDG is a software development and multi-media company with offices in San Diego, California, and Silver Spring, Maryland.

Four Corners Development Group is actively developing games for the BREW platform, and anticipates the release of multiple titles this year.
